Appendix Q: LEA Survey Interview Questions

Survey Interview Questions for Law Enforcement Agencies and Multi-Jurisdictional Task Forces

(Note: questions with "+" were asked to only a select group.)

- 1 Are you the person responsible for filing out the state form/template?
- 2 Does your LEA office have the required hardware and software necessary to complete the templates?
- 3 Does your LEA office have the technical human resources necessary to fill out the forms?
- 4 Are the PACG instructions clear in filling out the templates?
- 5 Have you ever sought help in interpreting the template?
- 5a If yes, to whom did you go?
- + How were you informed of your duty to fill out the forms?
- 6 How and where do you track your records concerning forfeited assets after you receive an order for distribution?
- 6a Is there a master database?
- 6b Do you keep it as a written record?
- 6c Are they in individual files?
- 7 In filling out the forms, are you aware that proceeds from the sale of assets are supposed to be added to the currency tab?
- + Can you describe how you fill out the report?
- + I'm assuming records are pulled from files elsewhere and then used to fill in the details of the report. Does this remotely describe it?
- + For state agencies: do you ever transfer the funds to another agency, or receive transferred funds?
- 8 About how long did it take you to fill out the report for 2018?
- 8a Was it burdensome?
- 8b Could it be streamlined?
What if there were a secure, online system—perhaps through the PACG or through a state agency—that allowed you to track asset
- 9 forfeitures on a continual basis that automated the production of the state annual reports and the federal equitable sharing forms, if applicable. Is this something that would be helpful to you?
- + LEAs are supposed to forward 10% of their asset forfeiture funds to their DA office and pay for court costs:
- + Are you involved in that process?
- + Can you help us understand how that works in practice?
- 10 Do you keep seized assets in separate funds and in storage to segregate them from assets that have orders for distribution?
- 11 Has your agency's Asset Forfeiture Fund ever been audited?
- 11a If yes, what was the most recent year?
- 12 Are there any problems that we didn't cover that you would like to point out to us?
- 13 Other than what you have already told us, what recommendations do you have?
